1. This Office action is in response to the application filed January 23, 2004. Claims 1-49 are pending. This application is a CIP of 10/045,263 now Patent 6,850,168. It appears that the subject matter claimed in the instant invention pertains to figure 17 which were not present in the parent application. Thus, the priority date accorded this application is January 23, 2004.

2. Claims 1-49 are allowed.

3. The following is an examiner's statement of reasons for allowance: The claims recite an acoustic logging apparatus and a transmitter for use with a drill collar including a flexure ring that couples to an electromagnetically actuated actuator for causing displacement with a transmitting element that converts the actuator displacement into a corresponding transmitter displacement. A method of using the apparatus also claimed. The combination is not taught or suggested by the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

4. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Albert K Wong whose telephone number is 571-272-3057. The examiner can normally be reached on M-Th.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Michael Horabik can be reached on 703-305-4704. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
